# Most Reliable. Deepest Clean.

## Easy-to-Use. Easy-to-Maintain.

Make pool maintenance easy with the worlds #1 robotic pool cleaning brand.

### wave

## Durable Tracks and Dual Scrubbing Brushes

Durable tracks and dual scrubbing brushes generate the action needed to scrub dirt and debris while also removing leaves from the pool floor - leaving your pool sparkling clean.

## Remote Control Included

Dirty pools are no match for a Dolphin. All Dolphin Wave Line pool cleaners are remote ready. The remote control allows you to easily spot clean any pool problem areas.

*Shown with optional Cyclonic Coarse Filter sold separately.*

## Improves Water Circulation

Dolphin robots help increase water movement by circulating thousands of gallons of water per hour, improving circulation, leaving the pool water polished throughout for clean, safe, and pure water for guests to enjoy.

## Extra-Large Capacity Filter for Extra-Large Jobs

We keep your facilities clean and guests coming back. The Wave's extra-large capacity filters ensure a clog-free operation that removes all types of dirt and debris.

### EASY-TO-USE. EASY-TO-MAINTAIN.

Dolphin commercial robots make maintaining your facility pool a breeze. Just plug-in, press power and go. When finished, just open, remove and rinse the filters clean.

### ULTIMATE CLEANING TECHNOLOGY

Advanced technologies provide comprehensive scanning of the entire pool and highly effective pool brushing and filtering throughout for clean, safe, and pure pool water.

### RETURN ON INVESTMENT

Dolphin Wave Line takes the manual work out of pool maintenance, minimizing downtime, and reducing energy and labor costs associated with maintaining your facility pool.
